HANDLING AND APPLICATION

MIXING:
Ready to use.

APPLICATION:

1. Apply SEM Soap to a gray scuff pad
2. Scrub panel thoroughly until surface is clean and finish is dull
3. Rinse with water.

Note: When cleaning leather or vinyl, do not rinse with water. Instead, wipe away SEM Soap with a clean, damp towel to remove all residue. Allow to fully dry then repair or refinish according to manufacturer’s instructions

SEM Soap should not be used as a car wash soap or general purpose cleaner.
STORAGE:

**SEM Soap** should be stored in a cool, dry place with adequate ventilation away from heat, sparks and flames. Keep from freezing. The shelf life of **SEM Soap** is 5 years when stored under normal conditions.

**Technical Consultation Service**

Our Technical Staff is ready to assist you with any questions. You are invited to take advantage of our extensive experience, laboratory services and trained field service representatives. Call (800) 831-1122 for answers to your questions. Hours of operation are Monday through Thursday 8:00 am until 5:00 pm EST and on Friday 8:00 am until 4:30 pm EST.
