**HANDLING AND APPLICATION**

**MIXING:**

Ready to use.

**APPLICATION:**

1. Spray Vinyl Prep directly onto vinyl surface or apply with a sponge or cloth.
2. Wipe off with a damp sponge or cloth, wiping in one direction. Excessive rubbing is not necessary.
3. Process may be repeated for heavily soiled surfaces.
4. Refinish according to manufacturer's instructions.

**Caution:**

Do not allow Vinyl Prep to splash or stand on any painted surface as discoloring may occur.

Check local VOC regulations to ensure compliance in your area.
STORAGE:

Vinyl Prep should be stored in a cool, dry place with adequate ventilation away from heat, sparks and flames. The shelf life of 38343 is 3 years when stored under normal conditions, while the shelf life of 38344 is unlimited.

Technical Consultation Service

Our Technical Staff is ready to assist you with any questions. You are invited to take advantage of our extensive experience, laboratory services and trained field service representatives. Call (800) 831-1122 for answers to your questions. Hours of operation are Monday through Thursday 8:00 am until 5:00 pm EST and on Friday 8:00 am until 4:30 pm EST.
