Actual VOC: 4.58 #/gal (550.6 g/L)

XXX Gun Cleaner is conditionally exempt per SCAQMD rule 1171. Check local regulations for VOC limits and exemptions.

HANDLING AND APPLICATION

APPLICATION:

SURFACES

Apply XXX Gun Cleaner liberally to a clean, soft, lint free cloth and wipe surface to be cleaned. DO NOT leave solvent cloth on plastic or painted surface.

Note:

XXX Gun Cleaner is not recommended for use on plastic or painted surfaces as it may soften and discolor the substrate.

SPRAY GUN

Attach the straw nozzle to the spray tip for hard to reach areas and easily blast contaminants away.
AEROSOL SPRAY TIP

On clogged tips, remove spray button with a twisting motion and gently attach clogged tip to XXX Gun Cleaner. Spray XXX Gun Cleaner through the clogged tip for a few seconds. Do not stick pin or other object into can. Gently replace cleaned spray tip to top of can with spray button pointed away from you.

STORAGE:

XXX Gun Cleaner should be stored in a cool, dry place with adequate ventilation away from heat, sparks and flames. The shelf life for XXX Gun Cleaner is 5 years when stored under normal conditions.

Technical Consultation Service

Our Technical Staff is ready to assist you with any questions. You are invited to take advantage of our extensive experience, laboratory services and trained field service representatives. Call (800) 831-1122 for answers to your questions. Hours of operation are Monday through Thursday 8:00 am until 5:00 pm EST and on Friday 8:00 am until 4:30 pm EST.
