

XXX WATERBORNE GUN CLEANER

TECHNICAL DATA SHEET

Check local VOC regulations to ensure compliance of all products in your area.

DESCRIPTION

XXX Waterborne Gun Cleaner is designed to easily remove wet waterborne coatings from spray equipment.

FEATURES

- Removes fisheye-causing contaminants
- Safer than solvent cleaners for waterborne shops
- Does not contain chlorinated solvents
- Convenient aerosol packaging
- Quick action formulation

SUITABLE SUBSTRATES

- Spray equipment

TYPICAL PROPERTIES

Part:	Product Name:	Color:	Container:
77753	XXX Waterborne Gun Cleaner	Clear	Aerosol

Actual VOC: 2.08 #/gl (249.8 g/L)

XXX Waterborne Gun Cleaner is conditionally exempt per SCAQMD rule 1171. Check local regulations for VOC limits and exemptions.

HANDLING AND APPLICATION

APPLICATION:

Shake lightly and apply XXX Waterborne Gun Cleaner directly on surface to be cleaned and wipe with a clean lint-free cloth. Attach the straw wand to the spray tip for hard to reach areas and easily blast waterborne coatings away.

Note:

XXX Waterborne Gun Cleaner will work best with waterborne coatings while they are still wet. Fully dehydrated coatings are more difficult to remove. Clean equipment as soon as possible following application.

If used inside of a safety can for waste collection, dispose of waste paint and cleaner in a method compliant for your area.

Not for use with solvent based coatings.

Check local VOC regulations to ensure compliance of all products in your area.

STORAGE:

XXX Waterborne Gun Cleaner should be stored in a cool, dry place with adequate ventilation away from heat, sparks and flames. The shelf life for XXX Waterborne Gun Cleaner is 2 years when stored under normal conditions.

Technical Consultation Service

Our Technical Staff is ready to assist you with any questions. You are invited to take advantage of our extensive experience, laboratory services and trained field service representatives. Call (800) 831-1122 for answers to your questions. Hours of operation are Monday through Thursday 8:00 am until 5:00 pm EST and on Friday 8:00 am until 4:30 pm EST.
