HANDLING AND APPLICATION

MIXING:
Ready to use.

APPLICATION:
Apply Aerospace Plastic & Leather Prep directly to surface or clean cloth. Wipe surface with enough material to adequately float contaminants out of sand scratches. Wipe dry in one direction with a clean, lint-free cloth, turning and changing cloths often. If Aerospace Plastic & Leather Prep dries on the surface, re-wet and dry completely. Do not leave solvent cloth on painted surface.

STORAGE:
Aerospace Plastic & Leather Prep should be stored in a cool, dry place with adequate ventilation away from heat, sparks and flames. The shelf life for Aerospace Plastic & Leather Prep is 3 years when stored under normal conditions.
Technical Consultation Service

Our Technical Staff is ready to assist you with any questions. You are invited to take advantage of our extensive experience, laboratory services and trained field service representatives. Call (800) 831-1122 for answers to your questions. Hours of operation are Monday through Thursday 8:00 am until 5:00 pm EST and on Friday 8:00 am until 4:30 pm EST.
